Mechanical Breakdown Coverage From A Name You Trust.

Experience AAA Peace of Mind and Avoid Expensive and Unexpected Vehicle Repairs

AAA knows that even well maintained vehicles can break down leaving you stranded and stressed out over high repair costs. It is one thing to be prepared for basic maintenance costs, but quite another to experience a sudden, costly mechanical breakdown.

The picture below shows the average repair cost you could have to pay out-of-pocket without the coverage of our AAA Vehicle Protection Plan.

The repair costs shown above are estimates and actual cost will vary by vehicle, repair, and repair facility.
